

AGI Earth Science World™ Image Bank Agreement

This contract signifies an agreement for use of text and/or images between _____ and the American Geological Institute (AGI) of Alexandria, VA. The primary mission of the Earth Science World™ Image Bank (ESWIB) is to provide quality geoscience images to the education community and the public for non-commercial uses. By signing below you are allowing a low-resolution version of your image to be available on the World Wide Web for general non-commercial uses. You are providing a nonexclusive, royalty-free, in-perpetuity license to AGI for the use of your image(s), as defined by the points below. You are acknowledging that the image(s) submitted are yours and not the property of anyone else. Your signature extends AGI the right to use your image(s) in AGI copyrighted materials, websites, publications, and productions. Existing copyright is retained on all image(s) submitted, and full acknowledgement is given in the cataloged image credit.

High-Resolution Options:

From time to time, requests for high-resolution images (digital or print) may arise from both commercial and non-commercial users of the ESWIB. We would like you to also consider the option of high-resolution distribution of your image(s) as outlined below. **Please check all that apply below** for high resolution use of your image(s). If you do not wish to consider this option, check nothing and sign at the bottom. **If you would like all high-resolution requests to be directed to you personally, please indicate that in the margin.** Please return this part of the letter to AGI, Attn: Abi Howe 4220 King Street Alexandria, VA 22302 or fax it (Attn: Abi Howe) to 703-379-7563. Retain a copy of this agreement for your records.

- Make my image(s) available at a high resolution for all **non-commercial** use by educators and the public free of charge.
- AGI has permission to reproduce and distribute high-resolution copies of my images either digitally or on paper **at nominal cost** for **one-time use** if requested by **commercial** users of the Image Bank. All fees collected can be used in support of AGI educational programs.
- AGI has permission to reproduce and distribute high-resolution copies of my images either digitally or on paper for a **one-time use** if requested by **commercial** users of the Image Bank, but will collect license fees on my behalf. **My royalty fee will be \$50 per image,** unless another arrangement is specified below.
My royalty fee is \$_____ per image, per use, for commercial image purposes.
